Guide to Scheduling Inspections via Phone

720-898-7630

Using a telephone you can schedule, cancel and review inspections, dial **720-898-7630**, there will be audio instructions to assist you throughout your session. The 3-digit inspection code is required; see below for the list of inspections and codes.

Inspections can be scheduled until 7:00 a.m. of the day you need an inspection. **A confirmation number is required to schedule inspections, do not hang up until you receive one!**

If you are unable to find the particular inspection you need or if you have questions about your project, contact the office at **720-898-7620**.

Inspectors are available in the office Monday-Friday from 8:00 a.m.-8:30 a.m. and 4:00 p.m. - 4:30 p.m
