

Scout Badge Programs

Scout programs are flexible and can be adjusted.
 Call 720-898-7405 or email ahover@arvada.org to schedule.

<p>Bear Scout</p> 	<p>Fur, Feathers and Ferns</p>	<p>Go hiking with a naturalist and look for wildlife! Learn to use magnifying glasses and binoculars, and identify local mammals based on natural clues. Investigate extinct and endangered mammals and even see a woolly mammoth tusk!</p>	<p>One 60-90 minute session</p>	<p>\$4/ scout with \$30 minimum</p>
<p>Webelos</p> 	<p>Into the Wild</p>	<p>Investigate the exhibits, explore the park trails, and participate in fun activities to learn about ecosystems, wetlands, birds, wildlife, food webs, and more! Leave knowing how you can join the effort to protect our environment.</p>	<p>One 60-90 minute session</p>	<p>\$4/ scout with \$30 minimum</p>
	<p>Into the Woods</p>	<p>Investigate what trees mean to you and other animals. Learn about tree growth, examine tree rings, identify forest trees and plants and learn to use a dichotomous key!</p>	<p>One 60-90 minute session</p>	<p>\$4/ scout with \$30 minimum</p>
<p>Boy Scout</p>	<p>Mammal Study</p>	<p>An interactive workshop of everything mammal, from furs and bones to marsupials and monotremes, you will leave with a thorough understanding of the cutest and cuddliest class of the Animal Kingdom. This 2 part workshop will cover most of the badge requirements and leave you with the inspiration and know-how to complete your mammal project.</p>	<p>Two 2 hour sessions (4 hours total)</p>	<p>\$15/scout with \$120 minimum</p>
	<p>Insect Study</p>	<p>A hands-on, in-depth exploration of the insects we know and love, or will learn to love. Honey tastings, centipede dances, and catching grasshoppers disguise serious learning with serious fun. This 3 part workshop will cover most of the badge requirements and leave you with the knowledge needed to finish your investigation.</p>	<p>Three 2 hour sessions (6 hours total)</p>	<p>\$20/scout with \$150 minimum</p>
	<p>Soil & Water Conservation</p>	<p>Get your hands dirty, or should we say soil-y, in this 2 part investigation of water, soil, and why they are so important to protect. Use hands-on activities and models to get a better understanding of these ecological elements and make major headway towards achieving this merit badge.</p>	<p>Two 2 hour sessions (4 hours total)</p>	<p>\$15/scout with \$120 minimum</p>
