Attention Scouts and Scout Leaders

Majestic View Nature Center and Community Park in Arvada can help you fulfill the requirements for many of your badges, patches, activity pins, and more. We teach classes on many environmental topics for any scout group, ranging from mammals to insects to plants to pollution. Additionally, consider using the Nature Center for your next ceremony or celebration.

- Pre-registration is required for group programs
- Programs range from 60-90 minutes to multi day workshops, depending on the scouting requirements and availability.
- Facility rentals may include the classroom, deck, patio, and kids' nook.
- Scout programs will cover many requirements and give scouts a head start on merit badge completion, but some outside work may need to be done. Naturalists teaching these programs are not Merit Badge counselors and cannot sign off on their Merit Badge cards.

Call 720-898-7405 or email ahover@arvada.org to book a program
