MEDIA ADVISORY

Arvada Police Shooting Update

We understand there are still several unanswered questions surrounding the incident on Monday. We want to be as transparent as possible. We have not completed all of the witness interviews and we are waiting on forensic evidence. We hope in the next few days to have all of this information and we promise to provide that to our citizens.

We owe a thorough and complete review of the incident to both Mr. Hurley's family and Officer Gordon's family.

We are aware of information from the suspect which clearly shows this suspect targeted and sought out to kill Arvada police officers. We cannot release any documents related to the open investigation at this time.

If not for the heroic actions of Mr. Hurley and Arvada Police Officers on that day, more innocent lives would have been lost.

An update from the Hurley family is that John Hurley goes by "Johnny" and is from Denver Colorado. They have also authorized a GoFundMe site: https://www.gofundme.com/f/good-samaritan-john-hurley?utm_campaign=p_cp+share-sheet&utm_medium=copy_link_all&utm_source=customer
