

IMPORTANT CHANGE TO CITY OF ARVADA TAX FILINGS

On November 19, 2018 the City of Arvada moved to amend the Arvada Municipal Tax Ordinance to eliminate the 3% vendor fee (\$100 maximum) that was previously allowed to Arvada Business License holders.

Beginning February 1, 2019 Arvada Sales and Use Tax returns will no longer allow taxpayers to deduct the vendor fee from the total amount due.

The decision to eliminate the vendor fee was based on the following information:

- The average vendor fee amount taken by Arvada Business License holders is \$18.58
- 79% of Arvada Business License holders retained \$5.00 or less in vendor fees per month
- In the upcoming years the vendor fee amounts will be used to fund road improvements in Arvada
