Welcome

The City of Arvada has earned its nickname as "A Great Place to Live" and is committed to preserving the natural beauty of its surroundings. As a result, the City of Arvada has established a system of parks and open space that encourages residents to enjoy the outdoors in a balanced and vibrant community. The City strives to create, promote, and maintain parks, trails, and facilities that offer variety and depth to suit all residents.

Arvada is home to a comprehensive park system that includes 50 neighborhood parks, 3 special use facilities, 64 playgrounds, 10 sports facilities, and over 100 miles of public trails and pathways. The community's parks and trail system are designed to support a variety of activities, from leisurely walks to more active sports and recreation.
